Human Resources Department

Dear Sir/Madame,

I am a graduate from vocational high schools in the Department of Informatics Engineering at BALIKPAPAN - East Kalimantan in 2006 and had undergone lectures at the University majoring in Samarinda Mulawarman S-1 SCIENCE STATISTICS. Today I joined in a company engaged in the field of Computer Repair and Maintenance and Printer - SUSECOM (SOURCE COMPUTER SERVICE) I served as TECHNICIAN and programmers. I can operate the computers especially Ms. Word, Ms Excel, Ms. Acces.

I am healthy, ready to work hard, Obviously I have a high motivation and loyalty, be sure to adjust to the work environment, able to complete the tasks that will be given in detail, for which I am prepared to join and contribute to develop the potential of the company of which Mr / Mrs lead, and I'm ready to be placed in all existing work area.

I enclosed the latest Pas Photo, photo copy of ID card, copy of last diploma, Copy of certificates and curriculum vitae indicating my resume and experience

My hope Mr / Ms can consider. and if further information is needed, I am willing to at interview and a test. For attention and the opportunity you gave me thank you.

Sincerely yours,

Mahathir Muhammad, S.Si.
